

## PRESS RELEASE

### **POLITICALLY INCORRECT THEATRE DEMAND THAT YOU STOP BREEDING IMMEDIATELY TO SAVE MANKIND, THE PLANET AND, WELL...EVERYTHING**

This August Politically Incorrect Theatre are going to convince the human race to stop breeding by premiering **THE HUMAN SELF-EXTINCTION JAMBOREE (WITH TOMBOLA)** at the **Camden Fringe Festival** between **Monday 11<sup>th</sup> August** and **Thursday 14<sup>th</sup> August, 10:30pm** at the **Etcetera Theatre**, London.

With a combination of sketches, songs, theatrical stunts and strategic use of Powerpoint the **HUMAN SELF-EXTINCTION JAMBOREE** will have just one hour to explain why mankind should slowly begin to die out.

Obviously, they know this is going to be a hard sell but hopefully with a free Cadbury's Freddo (street value 15 pence) and a world-class tombola they hope to soften up the audience enough to talk them round (or at least entertain them enough to stop them attempting procreation during the performance).

PIT are a theatre company that specialise in total theatre – a combination of song, puppetry and films to tell strange stories that you won't find anywhere else.

Based on a real social movement ([www.vhemt.org](http://www.vhemt.org)) this performance will be the first extended public outing of PIT since they won the **Writers' Guild** and **List Magazine Awards for Drama** at the **Edinburgh Fringe Festival** in 2004/05 and experienced a **total sell out run**. Since then the company have twice won a string of other awards (including the **Greenwich Theatre Musical Award 2006**) but have mainly performed in the North of England, where **nobody** in their right mind would have travelled to see them.
